Our Mission

Add your Legacy of Investment in Our Youth

Since its inception in 1997, the Latino Business Association Foundation (LBAF) has awarded more than \$800,000 in scholarships and grants to deserving students across our region. In the fall of 2025 alone, the Foundation distributed approximately \$16,500 in new awards.

Our scholars have gone on to attend some of the nation's most prestigious institutions, including Duke University, Harvard University, UC San Diego, UC Berkeley, UC Davis, UC Merced, San Francisco State University, Stanislaus State University, and Modesto Junior College — and many more.

Opening Doors. Changing Lives. Building Futures

The LBAF exists for one powerful purpose: to serve as a bridge to higher education for low-income Latino young adults — transforming potential into possibility, one scholar at a time.

More Than Scholarships

The LBAF's commitment to community runs deep. Beyond individual scholarships, the Foundation provides financial support through small grants to local nonprofits, schools, and programs dedicated to educational enrichment for the youth in our community.

Because when we lift up our community — we all rise together.

Invest in a scholar. Invest in our future.
